- ▶ *Questions to think about when choosing electives...*
  - *What do I want to do after I graduate?*
  - *What is my vocational track?*

# Things to Think About

- ❖ If you earn a D in an honors class this year, you may NOT be placed in honors next year.
- ❖ In order to take an honors level course, it is best to speak to your current teacher for approval.
- ❖ Refer to your Bright Futures account to make you sure you are picking courses to meet the Bright Future requirements. See Ms. Carson (College & Career Counselor) if you need assistance.

# Things to Think About (*Cont.*)

- ❖ When choosing AP and Honors classes, be aware that you are making a commitment and cannot switch out.
- ❖ It is very difficult to change schedules, so choose wisely. An annual (1.0 credit) course lasts ALL YEAR.
- ❖ Please note when choosing your classes: You may have a reading class in your schedule next year depending on your FSA ELA score from this year.
- ❖ Talk to your teachers for their recommendations.

# IMPORTANT!!!!!!

- *Due to the requirements of the Class Size Reduction Amendment, requests for schedule changes may be denied as classes reach maximum legal capacity!*

## ➤ You will receive:

- A copy of your “Student Permanent Record Summary” which will show all the classes you have taken, state assessments, GPA’s, total credits, etc. See your School Counselor if you need help understanding/interpreting your summary sheet.
- On the back of your “Student Permanent Record Summary” is the Graduation Requirements.
